

# AGRICULTURE RETURNS TO THE SASKATOON EX!

This new specially designed exhibit will provide a fun, educational, hands-on approach for visitors to learn about animal care, food production and today's Agriculture industry. Interactive, educational displays focus on the four major livestock sectors in Saskatchewan: Beef, Dairy, Pork and the Poultry industry. A new phase of AG-EXperience will be launched at the 2010 Saskatoon Exhibition and will encompass Saskatchewan's diverse agriculture industry featuring the Bison and Elk sectors.
